# Forward

This document is a compilation of the names of all members of Paw Paw High School Senior Classes that have appeared in the annual school yearbook (WapPaw), from the year 1939 through today. Additionally, names have been collected from other sources, and with those, go back to 1869. There are approximately 11,052 names which are sorted first by year of graduation and second, alphabetically by last name. Click the year or first letter of last name from Table of Contents page below, for hyperlink to page. When you jump to a class year and it appears in red, clicking on it will bring up the WapPaw for that year. I'm aware that there are other names that may have graduated but do not appear in the yearbooks, and the spelling of some names may be a little off due to trying to decipher the "fancy font" that is used in some of the books. If you see any corrections that need to be made, please send e-mail to: [dirtydan@pawpawwappaw.com](mailto:dirtydan@pawpawwappaw.com) - Changes will be made at next update. Thank You – Dan Smith, PPHS Class of 1963
